

Soul Junk, Straight From Neptune

When Jesus got to Jerusalem he said,
"if you, even you, had only known on this day;
If you had only known what would bring you peace-
but now it is hidden from your eyes.

The days will come upon you when your enemies
will surround you and dash you to the ground
And all because you did not know the time
Yet the time of God will come to you."

Jesus went proclaiming the good news
"The time has come, the kingdom of God is near.
Turn around, believe the good news!
The time has come, the kingdom of God is near."

Some religious Jews came to Jesus
Seeking Testify and show a sign from heaven
He replied,"When evening comes, you say,
'The sky is red, tomorrow its gonna be a good day'
But in the morning the sky is red
And overcast then you say that there are storms ahead.
You interpret the weather because you know how to read the skies,
But you hippocrits dont know how to read the times.

Jesus went proclaiming the good news
"The time has come, the kingdom of God is near.
Turn around, believe the good news!
The time has come, the kingdom of God is here."
