

Soul Junk, Thrown Down

With such violence the town
Of Babylon will be thrown down
Never to be found again
Souls and bodies
Souls of men

Fallen is Babylon the Great!
City of The Prostitute
She has become a home and haunt for every evil spirit

So come out from her my people
so that you w'nt share in all her sin
so that you w'nt have to drink the cup that God has given her

With such violence the town
Of Babylon will be thrown down
Never to be found again
Souls and bodies
Souls of men

Souls and bodies
Souls of men

How to mourn Babylon the whore?
The kings and and queens who slept with her
All the salesmen who became the worlds great men and women

Celebrate over her, Heaven!
Shout aloud, prophets, Gods people!
God has judged her for the way that she has treated you

With such violence the town
Of Babylon will be thrown down
Never to be found again
Souls and bodies
Souls of men
