

# Soulcast ft. (Indiana Princess), Someone Like Me

Why doesn't anybody ever fall in love with me  
Fall in love  
Fall in love  
Fall in love  
With someone like me  
Chorus again  
I need to make changes  
If I never gonna get somebody to know that's me  
Just like a butterfly  
I'm gonna wake up, maybe something new  
All too beautiful!  
Chorus x2  
Chorus x2  
I don't wanna do it wrong  
Was it obvious?  
All alone  
I don't wanna do it wrong  
Was it obvious?  
All alone  
I wanna know  
Please tell me  
Fall in love  
Fall in love  
All alone  
All alone  
Chorus x1
