

# Soulcast ft. (Indiana Princess), Someone Like Me

Why doesn't anybody ever fall in love with me

Fall in love

Fall in love

Fall in love

With someone like me

Chorus again

I need to make changes

If I never gonna get somebody to know that's me

Just like a butterfly

I'm gonna wake up, maybe something new

All too beautiful!

Chorus x2

Chorus x2

I don't wanna do it wrong

Was it obvious?

All alone

I don't wanna do it wrong

Was it obvious?

All alone

I wanna know

Please tell me

Fall in love

Fall in love

All alone

All alone

Chorus x1
