Blood, Fire, War, Hate
Blood, Fire, War, Hate
Blood, Fire, War, Hate
Blood, Fire, War, Hate

Blood, Fire, War, Hate
It's everywhere, it's in their faces
Blood, Fire, War, Pain
Everybody is going insane
Blood, Fire, War, Heaven
AK 47
Blood, Fire, War, Hate
It's all around, it's in your face

Blood, Fire, War, Hate
The world is hostage, no escape
Blood, Fire, War, Thunder
The whole world under murder
Blood, Fire, Earthquake
Retaliation without end
Blood, Fire, War, Hate
Will it ever end?

Blood, Fire, War, Hate
Blood, Fire, War, Hate
Blood, Fire, War, Hate
Blood, Fire, War, Hate

Blood, Fire, War, Hate
Entering the final phase
Blood, Fire, War, Kill
Ritual blood spilled
Blood, Fire, War, Death
Under the sign of the black flag
Blood, Fire, War, Dust
Confrontation is a must

Blood fuels the prophets of destruction
Blood staining their profits from corruption
Fire is all consuming, never-ending
Flames burn eternal, never-ending
And these war pigs deliver all their madness
War criminals thrive on death and sadness
Hate breeds hate breeds hate
Whoa blood fire war hate will never end
