

# Soulfly, Sailing On

You don't want me anymore  
So I'll just walk right out the door  
Played a game right from the start  
I trust you, you used me, now my heart's torn apart

So I'm sailin, I'm sailin on  
I'm movin, I'm movin on  
Sail on, sail on  
Sail on sail on  
Yeeeaah!

Try to see if I give up  
But there's never any luck  
It's a fact, a fact of life  
That's the games, games of strife  
Everything is all in stride

So I'm sailin, I'm sailin on  
I'm movin, I'm movin on  
Sail on, sail on  
Sail on sail on  
Yeeeaah!

Too many years with too many tears  
Too many days with nothing to say  
And how will we know when there's nowhere to grow.  
And what's the facts for life to show

Sail on
