The last real nigga still down with Master P

I do this for my Soldiers and I do this for my Thugs  
A lot of these rappers ain't talkin' bout nothin'  
I don't knock it get ya money nigga  
Keep rap hustlin'  
But don't go to talkin' that Gangsta shit  
Cause I got money  
Now what'cha think I'm spend a hit?  
You dead wrong my 44 long it won't leave yo head on  
I really would knock it off yo Soldier

[Chorus x4]

[Soulja Slim]

I hope you understand that  
I'm tellin' you somethin' very beneficial  
Cause I own streets machines with bullets  
That hold baby missiles  
You Lil' Boys artificial playin' with them Lil' Pop pistols  
I put hoes in you so deep you see only yo bone gristle  
I'm Soldier this I'm Soldier that because I'm Soulja Slim  
Third Ward die hog , you really don't wanna fuck with him  
I'm from the M-A-G-N-O-L-I-A  
Only thing Hot Boy catch the bullets comin' out my K  
My dogs write me from Angola and Allen and shit  
Tellin' me to hold it down, tellin' me to represent  
Ever since they free'd me I've been thuggin' with Krazy  
Will I see the jail cell again nigga maybe  
Bitch nigga's talk shit they get dealt with  
With the quickness me and my people bout business
