Ready to take 4, 5 pigs out  
Come to my senses  
Is it safe to swang out  
This Conyac to pass back  
To a nigga thats committed  
Don't fuck with the hood critics  
The real niget  
When i redeem that  
Peep that

When i keep it cocked with 1 in the chamber  
All the Criminals ride to this  
Law Breakin ass niggas blow up the pony ala dope and get high to this

In a process 187 is a grudge to be left in pri  
Only way to take off the leather Versache Jackets we know to take off the

When u see a nigga with a heater  
Aint that screamin' let me get that about ya let me treat ya like a bitch

Any 1 of u better not move cause i ain't gonna move no place  
And I'm swear i'm gonna release every bullet  
And it stops when i'm stichin  
My Comprehension is fucked up at this moment, at this time  
I don't wanna hear this ?? what used to be yours, now mine  
So kiss it
