

# Souljahz, Let Go

Sunny blue skies when my clouds been gray  
Glass of cold water on a real hot day  
Hot cocoa in the mug when it's cold outside  
Like change for the bus when you got no ride  
Lemme tell you 'bout a friend who will  
always be around  
When your head hangs so low feel it draggin'  
on the ground  
When you feel like the whole world jumped  
on your soul  
Breathe in breathe out and let go, come on now

One, two what should I do  
It hurts me to walk with this hole in my shoe  
But I can't complain 'cause at least I got feet  
And I don't need no shoes just to groove to the beat  
Or to read Psalm 23 when it tells me  
The Lord be my shepherd so what else do I need  
Or Psalm 91 says  
He'll deliver me  
if I L-O-V-E the G-O-D

## CHORUS:

So let go, let go, let go  
So let go, let go, let go  
So let go, let go, let go  
So let go, let go  
Let it go, yo, yo, you got yo problems,  
you got yo issues, you gotta  
Let it go, yeah, came asada with no  
Horchata, haha, you gotta  
Let it go, uh, you got yo drama, yo baby, yo baby mama  
you gotta let it go, yo, you got yo problems  
yo issues and God knows  
He's reachin' out for you dawg yo let it go

Yo it's the S-O-U-L-J-A-H-Z  
Now lemme see when this beat come back in  
how many of yall go crazy  
Uh, this is for my ladies  
Yeah, 'cause it's all gravy  
Uh, this is for my fellas  
Yo, holla back at me  
Lemme see yo hands up if you done gave yo plans up  
Let go and let God brother, run and tell your godmother  
If you's an odd number than your digit we gone call  
Raa, I'm a Souljah shoot I thought I told yall

Lost my umbrella on a rainy day  
Stepped in a puddle goin' on my way  
Boss all on my back 'cause I walked in late  
But no matter what happened kept a smile on my face  
'Cause I know of a friend who will always be there  
When the world turns its back an nobody cares  
When you feel like you just can't take no more  
Breathe in Breathe out and let go, come on now  
One, two, who woulda knew  
I ran outta gas now what else can I do  
But I can't complain 'cause at least I gotta car  
And I don't need no gas to sing to the guitar  
Or to read 1st Timothy when it tells me  
The Lord gave me ministry so I should take heed  
Or 1st John says have no fear in me  
If I L-O-V-E the G-O-D
