

Souls, Cello Where You Were

I turned myself unto myself

and asked myself who you are

well, you made me

but what do I love

when I'm with you

I WONDER WHERE YOUR TOUNGE HAS BEEN

BEFORE YOU TASTED MINE

BUT YOU'LL NEVER LET ME KNOW

I'VE BEEN BAD AND I HAVE SINNED

BUT YOU'LL NEVER LET ME GO...

I've done sone grim things

I'vedone really bad things

but I'll never let you know

it's you that I love

in sleep when I'm awake

I won't think as long as you don't

I WONDER WHERE YOUR LIPS HAVE BEEN

BEFORE THEY TASTED MINE

WHERE HAVE YOUR LIPS BEEN TONIGHT?

YOU'VE WRAPPED A RING AROUND MY NECK AND

YOU'LL NEVER LET ME GO

do you think of me- do you think of me?

do you think of me when you are in me?

I just want to know think I ought to know

what you fell

do you turn on me - do you turn on me?

do you turn on me like I turn on you?

don't play tricks on me- don't you lie to me

anwser me
