

Souls, Simplicity

I sneak into your room

and steal your favorite tie

cause I'm a jealous bitch

you dont want me in your way

but your name is mine anyhow - anyway

I break into your house and sleep

between you and your wife

cause I'm a nervous wreck

I pinch you hard so

you can't fall asleep

WHAT I WANT? SOMETHING REAL

WHAT I NEED SIMPLICITY

I WANT YOU BACK IN MY LIFE TODAY

FIGURE ME- DRESS ME UP

LOOK AT ME- ALL MESSED UP

PLEASE COME BACK- WAS LIFE TOO

SIMPLE HERE WITH ME?

you know when I'm wrong

when i am being false

I'm your tiny paper doll

if you touch me I'll stop hurting you

ITCH ON YOUR SKIN

I WILL HAUNT YOU IN YOUR DREAMS

'TILL YOU STOP DENYING ME

LOOK AT ME- ALL DRESSED UP

FIGURE ME- ALL MESSED UP

IS IT ME OR IS IT YOU,

YOURSELF YOU SEE?

figurre me

dress me up

look at me

mess me up

wish me luck

carry me
