

Souls, Toxic

and I'm cold assed too

going deeper

yes, I'm bold as you

growing weaker

I'll do my best

to patronize you

I'll get as low as you

climbing deeper

FALLING WITH THE COMING SNOW

THIS IS WHERE YOU LAND

LOWERE THEN YOU'LL EVER GO

IN THIS TOXIC WONDERLAND

everytime

I look

in the mirror

eyes reflecting you

for a reason

though it makes no sence

growing meaner

time to make amends

getting even

FALLING WITH THE COMING SNOW

THIS IS WHERE YOU END

LOWERE THEN YOU'LL EVER GO

IN THIS TOXIC WONDERLAND
