

Soultans, Can't Take My Hands off You

When I watch you sleep in the night
I can not hold back what I feel inside
You are all I need, you know it's true
So true that I think of making love to you
Baby

I can't take my hands off you babe.
I can't get enough of you
I can't take my hands off you babe.
I can't get enough of your love
We're two people, two of a kind
I know a better love is hard to find
You give all of you instinctively
So don't let it in, you are my destiny
I can't take my hands off you babe.
I can't get enough off you
I can't take my hands of you babe.
I can't get enough off your love
I can't take my hands of you babe.
I can't get enough off you
I can't take my hands of you babe.
I can't get enough off your love
Can I touch your body?
Can I rub your body?
Can I touch your body?
Can I rub your body?
I wanna, I wanna
Touch your body babe
Babe, babe, babe
I can't take my hands off you babe.
I can't get enough of you
I can't take my hands off you babe.
I can't get enough of your love
I can't take my hands off you babe.
I can't get enough of you
I can't take my hands off you babe.
I can't get enough of your love
I can't take my hands off you babe.
