

# Soulwax, More Than This

Guess i had it coming  
ambition is my worst vice

next thing I know  
time is having it's way with me

working hard at putting skin on baloney

it all makes sense in some way i forget right now

somehow i manage to fool  
myself and everyone else

that this is really just  
only, maybe, only,

just the meantime  
meantime

frequent liar mileage  
as if I had a choice

limp to the edge of patience  
and let yourself fall

wearing out mirrors  
all over the world

i hope i can get far playing  
air guitar

in the meantime  
meantime

there has to be more than this  
there has to be more than this

somehow i manage to fool  
myself and everyone else

that this is really just  
only, maybe, only,

just the meantime  
meantime

there has to be more than this
