drove his wheels through guarantee
walked about with a monkey on his back
torn pages of a coward's almanac
he got stuck between y-z

as he turns and goes
the rooster crows 3 times

Wished I had a bad, bad memory
for all my so-called friends to see
so keep on readin' between the lines
a frog's tongue freakin' at a jar of flies
if we never meet again
it's too soon
so let's not pretend
