

# Soulwax, The Salty Knowledge Of Tears

Somebody,  
take this love and run away  
'cause I don't care  
it is all i can say

I KEEP ON LOSING YOU  
AND FINDING YOU

Take me upstairs and  
into your arms  
Do not be deceived by my charms

I KEEP ON LOSING YOU  
AND FINDING YOU

That's why I fear  
all the salty knowledge of tears

Just shut your mouth and kiss me  
just close your eyes  
punish yourself with a handkerchief  
I don't reply

That's why I fear  
all the salty knowledge of tears
