Soulwax, The Salty Knowledge Of Tears

Somebody, take this love and run away 'cause I don't care it is all i can say

I KEEP ON LOSING YOU AND FINDING YOU

Take me upstairs and into your arms Do not be deceived by my charms

I KEEP ON LOSING YOU AND FINDING YOU

That's why I fear all the salty knowledge of tears

Just shut your mouth and kiss me just close your eyes punish yourself with a handkerchief I don't reply

That's why I fear all the salty knowledge of tears
