Soundgarden, Fell On Black Days

Whatsoever I've feared has Come to life Whatsoever I've fought off Became my life Just when everyday Seemed to greet Me with a smile Sunspots have faded And now I'm doing time Cause I fell on Black days

Whomsoever I've cured I've sickened now Whomsoever I've cradled I've put you down I'm a search light soul They say but I can't See it in the night I'm only faking When I get it right Cause I fell on Black days How would I know That this could be my fate

So what you wanted to See good has made you blind And what you wanted to Be yours has made it Mine So don't you lock up Something that you Wanted to see fly Hands are for shaking No not tying

I sure don't Mind a change But I fell on black Days How would I know That this could be My fate
