

Soundtrack - Step up, Bout it

(Chorus)

You think you know me but you have no idea

Act like you bout it

Well lemme put this in your ear

If you really bout it

Do like a fus like you don't care

If you bout it

I dont doubt it

Show me that you sure bout it (bout it)

Yung Joc:

Ill get your mind off ties

Cause the hustla don't stop

If your girl don't chew then my name ain't Joc

The money don't flip then the block ain't hot

If she don't scream your name then your game just shot

I gotta couple reasons you can call me the boss

Ill drop a couple stacks and watch your ass get lost

Joc the real shit Shorty bes believe that

If you ain't ride till die

Bring them car keys back

Take your foot off the brake

If you ever cross me you'll get crossed out

Yung Joc:

Imma get rich and imma die tryin'

I ain't 50 Cent but respect my mind

Respect my gangsta respect my shine

Put your click in chick if you step outta line

I ain't Kanye but I been thru the wire

Couple more albums before I retire

Most of these rappers ain't nothin but liars

How are they The Killers when they sing in the choir?

Straight from the bottom and im tryin' to get higher

Too many strikes, Got too many priors

Messin with us like playin with fire

Get your wick split, time to meet your messiah

3LW:

(Chorus)

You think you know me but you have no idea
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you don't care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)
Now I been walking up this road tryin' to find which way to go
Tryin' to pull my faith
Sometimes it seems like I don't know
Now I gotta chance to touch ?
And the answers right in front of me
Yeah! Yeah! Yeah!

(Chorus)

You think you know me but you have no idea
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you don't care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)

(Chorus)

You think you know me but you have no idea (No Idea!)
Act like you bout it
Well lemme put this in your ear
If you really bout it
Do like a fus like you don't care
If you bout it
I dont doubt it
Show me that you sure bout it (bout it)
