

Soundtrack - Step up, Imma shine

Im gonna get it and we gonna get it and you gonna feel it and you gonna get it
Im gonna get it and we gonna get it and you gonna get it and you gonna feel it
Im gonna get it and we gonna get it and you gonna feel it and you gonna get it
Im gonna get it and we gonna get it and you gonna get it and you gonna feel it
Chorus

Imma shine, Im gonna make it
Aint nothing to it to it
Ill take it (i take it)
I feel it (i feel it)
Ill flip it (ill flip it)
Pull it pull it ill straight get it
Imma climb
I aint waitin
theres no end to the money im makin
for streetin for chasin we get it in
the crunk hatin
Enough dont believe you dont succeed
and if you dont apply you wont achieve
you keep ya head up high
feet down low follow your heart
till you get to the door
bells and wheels and wheels away
never trust a soul im here to say
Stop dependin on and be yourself
and grab a hold and dont look left
so take a swing and heres your chance
you got nothing to lose so make a stance
the clock is tickin and time aint waitin with ya
all alone see thats what your facin

Chorus

Imma shine, Im gonna make it
Aint nothing to it to it
Ill take it (i take it)
I feel it (i feel it)
Ill flip it (ill flip it)
Pull it pull it ill straight get it
Imma climb
I aint waitin
theres no end to the money im makin
for streetin for chasin we get it in might
the crunk hatin
Ya i know imma make the albums pay for this
Imma with ya in the eye lookin for the ten for this
and i dont steal for this i pimp for this
ill ryme for around one hundred round clip for this
what happen to the struggle its called
and eviction notice
now people strong self evicken notice
perscription cops serve keep it real
that fine but if i get wit it imma face some time
and its hard being young and rich
trying to survive
trying to keep a shot to shine
on the poor headed ties
couple of meals in a vine
and a new whip for the wife
top that shit this is my life

Chorus

Imma shine, Im gonna make it
Aint nothing to it to it
Ill take it (i take it)
I feel it (i feel it)
Ill flip it (ill flip it)
Pull it pull it ill straight get it
