

# South, Better Things

Look at me acting in the drama of your life  
I stumble over something  
then I fuck my lines  
So what will I say?

Aah, the better things I have to say  
Will fall to you  
Aah, the better things I have to say  
Will fall to you

You seem to light up everything around you  
Don't know just what it is, I'm thinking about you  
Aah, the better things I have to say  
Will fall to you

If what I said does not amount to much  
don't doubt your guts  
Suppose the least that this is worth these lines are unrehearsed  
So what will I say?

Aah, the better things I have to say  
Will fall to you  
Aah, the better things I have to say  
Will fall to you

You seem to light up everything around you  
Don't know just what it is, I'm thinking about you  
Aah, the better things I have to say  
Will fall to you

Days seem to last forever but the weeks fly by  
Feel conversations travel in the space that we find  
Days seem to last forever but the weeks fly by

Aah, the better things I have to say  
Will fall to you  
Aah, the better things I have to say  
Will fall to you

Fall to you  
Fall to you  
Fall to you  
Fall to you  
Fall to you  
Fall to you

Fall to you  
Fall to you  
Fall to you  
Fall to you  
Fall to you  
Fall to you
