

# South Park, A Lonely Jew On Christmas

It's hard to be a Jew on Christmas  
My Friends won't let me join in any games..  
And I can't sing Christmas songs  
Or decorate a Christmas tree..  
Or leave water out for Rudolph  
'cause there's something wrong with me..  
My people don't believe in Jesus Christ's divinity..  
I'm a Jew, a lonely Jew.. on Christmas.

Hanukkah is nice, but why is it,

That Santa passes over my house every year?  
And instead of eating Ham  
I have to eat Kosher Latkes..  
Instead of Silent Night  
I'm singing huhash dogavish..  
And what the f\*\*k is up  
With lighting all these f\*\*king Candles, tell me please?  
I'm a Jew, a lonely Jew..  
I'd be merry but I'm Hebrew on Christ-maas
