

South Park, Illegal Amigos

[Verse 1]

No nutt's no glory, hear the whole story
I'll be on stage, when you kill that punk for me
Drink some more forty, f**k my Lil' Shorty
Pick out your ride, Luxturious or Sporty
Money is no object for this killa project
You always have my back, my number one soldado
Caballo a low-low that bounce like a hot check
Watch the time fly on this dimond lace novato
Me, I'm rollin in tha two tone corvette
My third wife, ain't even born yet
I'm Dope House Records, band outta Texas
Real niggaz eatin MC's for breakfast
Relentless, when they hand me tha steal
Get your family killed, like amid-divil
I pimp two bitches Mary Jane and Snow White...
The ink in my pen shoot poison from a blow pipe

(Chorus 1)
