

South Park, Love Gravy

I'm Gonna make love to you woman
Gonna lay ya down by the fire
And caress your womanly bod-ay
Make you moan and perspire
I'm gonna get those juices flowing
Making Love Gravy, Love Gravy, Love Gravy
Love, Love, Love..

I'm gonna make love to you, woman
Gonna lay you down by the fire..
And caress your womanly body
Make you moan and perspire..
I'm gonna get those juices flowing
Making Love Gravy, Love Gravy, Love Gravy
Love, Love, Love! Ooh-ee..
Open up a packet of my gravy..
Baby it's burning just for you..
Would you like another helpin' of my gravy?
Baby say yeah.. [yeah yeah yeah]

I'm gonna make love to ya woman
'gonna get a little freaky too..
With Lingerie and Leather
And a bottle of Superglue..
Let's make a Human Pretzel

Dip it in Love Gravy, Love Gravy, Love Gravy
Love, Love, Love! Ooh-ee..
Open up a packet of my gravy..
Baby it's burning just for you..
Would you like another helpin' of my gravy?
Baby say yeah.. [yeah yeah yeah]

I'm gonna climb into your Cockpit
Gonna get those rockets firing..
Blast you into Orbit
And burn out all your wiring..
Get our asses on the Launchpad
Making Love Gravy, Love Gravy, Love Gravy
Love, Love, Love!
Open up a packet of my gravy..
Baby it's burning just for you..
Would you like another helpin' of my gravy?
Baby say yeah.. [yeah yeah yeah]

I got a whole lot of gravy left baby..
Ooh, those are nice.. would you like some gravy on those?
There's enough gravy to go around for everybody.
mmmmmm.. I'm gonna drown all you bitches in gravy.
