[Verse 1: Dum-Dum and Happy P]

[Dum-Dum]

I hit it from worst ways

After the first day

I'm needin it everyday

And twice on a Thursday

Blood thick than water

In pounds better than quarters

I smoking two joints

While I'm knockin down yo daughter

Dope House Records is on fire

So grab the estinguisher

I smoked out in the beamer

Bout to get emphezema

Gun slingers rap singers

With more stripe than the bengals

No need for the gang sign

I'm using my trigga finga

[Happy P]

Now won't you roll one

Po the four one

Sometimes I'm real selfish and I'll smoke my weed  
with no one

You know me

I'm young Happy P

Kick back and blow a sweet

While my niggas move keys

Bitch please

I got G's

Sippin corona with lima squeeze

And platinum P's

Only smoke on the fine leaves

I started out

Sellin five dollar sweets

And now I'm elevating

Sellin 5000 dollar beats

[Chorus: Grimm]

I smoke two joints when I wake up

In the car I smoke two joints

I smoke two joints when in play video games

And every 10,000 points

I smoke two joints in time of peace

And two in time of war

I smoke two joints before I smoke two joints

And then I smoke two more

[Verse 2: SPM and Low-G]

[SPM]

Maan this killer herb got me runnin over curbs

And writing these raps full of misspelled words

I curse on my verse snatch yo bitch like a purse

Cause she like the twinkies that I slapped on my  
herse

I take two charges it's really quite harmless

The only side effect is that it makes you retarded
