

Space, Kill Me

Eeny-meeny-miney-mo
Which way d'yer think that I should go
Twiddley-dee and Twiddley-dum
D'yer think that I should take my gun

I want you to
Kill me, kill me
Kill me kill me
Oh won't you
Kill me kill me,
Kill me kill me

Come on now

Now...
Dip dip dip
I'm gonna sink your ship
Fee-Fi-Fo
There's something else you should know
I'm gonna be seen
I'm gonna be sure
Someone gave me something
But I want some more

I want you to
Kill me kill me,
Kill me kill me
Oh won't you
Kill me kill me,
Kill me kill me

A-lover-lover

I want you to
Kill me kill me,
Kill me kill me
Oh won't you
Kill me kill me,
Kill me kill me
C'mon now

Dip dip dip
I'm gonna sink your ship
Fee-Fi-Fo
There's something else you should know
I'm gonna be seen
I'm gonna be sure
Someone gave me something
But I want some more

I want you to
Kill me kill me,
Kill me kill me
Oh won't you
Kill me kill me,
Kill me kill me

Why won't you kill me
Why won't you ki-ill me
I want someone to kill me
I need someone to kill me

I want you to
Kill me kill me,

Kill me kill me
Oh won't you
Kill me kill me
Kill me kill me
Goodbye now
