

Spacehog, This Is America

The Statue of Liberty lost her virginity to me
Oh yeah
But I get my rocks off by watching the cops on TV
Oh yeah

I'm feel needy, cheap and greedy
Won't you give me the thing that I need
But I'm not to blame cause my video game got my mind
All right

Now you've got your fame
You get your crack cocaine
You put a bullet in your brain
Cause this is America
Yeah this is America

American history is still just a mystery to me
Oh yeah
But I think it says it all
Watching the junkies fall down on Avenue D

I learned all I know on the Internet show
I'm buildin' a bomb for a dime
And the Statue of Liberty lost her virginity to me
And that's just fine

Now you've got your fame
You get your crack cocaine
You put a bullet in your brain
Cause this is America
Yeah this is America
Cause this is America
Yeah this is America

What ever happened to you
What ever happened to me
I think that says it all
Watching the a junkies stall
I know it's a very scary life

Oh no... here come the Indians!

Cause this is America
Yeah this is America

Cause this is America
Yeah this is America

Cause this is America
Yeah this is America

Yeah this is America

Yeah this is America

iyeyeyeyeyeyeyeyei

Ooooooooooh cause this is America

It's the land of the free
And the home of the brave

Cause this is America
It's the land of the free

It's the land of the free
And the home of the brave

Cause this is America
It's the land of the free

It's the land of the free
And the home of the brave

Cause this is America
It's the land of the free

It's the land of the free
And the home of the brave

It's the land of the free
