

# Spagna, Easy Lady

move on up you're such a sexy groover  
when you get on down you're better than another  
move on up it's such a hot sensation  
when you get along get along get along  
oh I could rule this nation  
get on down you tie me up now baby  
you just tie me up  
there's no time for maybe

coz I'm a lady lady lady easy lady  
lady playin' passion through the night  
coz I'm a lady lady lady easy lady  
playin' with emotions move on up

move on up I'm gonna tease you lover  
gonna work on you my love you will discover  
move on up you really gotta please me  
try try harder now you know you must appease me

coz I'm a lady lady lady easy lady  
lady playin' passion through the night  
coz I'm a lady lady lady easy lady  
playin' with emotions  
coz I'm a lady lady hard and easy lady  
keep on playin' passion through the night  
coz I'm a lady lady lady easy lady  
playin' with emotions move on up

you're livin' inside me  
you're movin' on by me  
you're love and passion  
groove it and move it  
show me you can use it

chorus
