

# Spagna, Every Girl And Boy

bang bang  
de-dears don't I ring a bell  
oh we spent a lot of time so well  
everybody had joy  
uh uh every girl and boy

do-down our life's an up and down  
but for our sake we won't give ground  
everybody need joy  
uh uh every girl and boy

e-every girl and boy enjoys  
enjoys makin' love  
e-every girl and boy  
a choice to believe in love

bang bang  
de-dears don't kill your dreams again  
and don't shoot yourselves don't do it friends  
everybody need joy  
uh uh every girl and boy

please tell me what you've got in mind  
it's up to us people one more time  
everybody need joy  
uh uh every girl and boy

e-every girl and boy enjoys  
enjoys makin' love  
e-every girl and boy  
a choice to believe in love  
e-every girl and boy enjoys  
enjoys makin' love  
e-every girl and boy enjoys  
enjoys makin' love

I I need joy why can't you hear my voice  
i need some love I need some joy  
I am a girl I'm not a toy  
I I need joy like every girl and boy

chorus
