

# Spagna, So Easy

night is comin' and the rain  
seems to play a sad refrain  
i'm insane i know it's wrong  
but i'm still here by my telephone  
when you call me it's just to say  
"i'm so sad" or "she's gone away"  
well i told you i'm your friend  
but i'm a girl i'm not a man

easy it's easy with you it's so easy  
easy so easy for me to fall in love  
easy it's easy with you should be easy  
crazy it's pure fantasy

and you're knockin' at the door  
of my poor heart once more  
a thousand doors in front of me  
but you know too well how to turn the key  
i would like to write the end  
but i'm still here yes i'm here again

chorus
