

Spain, Hoped & Prayed

In those days
I was all alone
I was all alone

In those days
I was all alone
I was all alone

I was all alone

Met a girl
And I hoped and prayed
That she wasn't the one

Met a girl
And I hoped and prayed
That she wasn't the one

That she wasn't the one

I hoped and prayed
That God wouldnt make
Her the one

In those days
Didn't know about love
Didn't know about love

In those days
Didn't know about love
Didn't know about love

Didn't know about love

Met a girl
But I turned her away
I was so young

Met a girl
But I turned her away
I was so young

I was so young

I hoped and prayed
That God wouldnt make
Her the one
