

Spain, I Believe

Could it be
That no one else
Could make me see
Could make me trust
Girl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to be
Could it be
You feel so right
You made me see
Day comes from night
Girl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to be
Girl you know now I believe
Girl your love
Has taken hold of me
Now I know
This love was meant to be
Now I know
This love was meant to be
