

# Span, Missing In Stereo (Mass Distraction)

between the lines, and between the sound  
i walk gravely, with my head down  
there's so much, i'd like to say  
but myself gets in my way  
i would have killed, just to get somewhere  
just to dream, to get out of here  
and though i know, just who's to blame  
i can't even speak, my lousy name

ref: i'm paralysed  
i'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
i try to scream, but i can't make a sound  
i'm missing in stereo

i had the lines, but i've lost them  
and when i tried to get them back again  
every word was like a fly  
impossible to catch, as they vanished in the sky

ref: i'm paralysed  
i'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
i try to scream, but i can't make a sound  
i'm missing in stereo  
i'm missing in stereo

i'm deaf dumb and blind  
like half of me wanted  
can't get help  
if it was what i wanted i'm both of me,  
and i just want to be one

ref: i'm paralysed  
i'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
i try to scream, but i can't make a sound  
i'm missing in stereo  
i'm paralysed  
i'm gagged and bound  
no way to rid me of  
this scapegoat of mine  
i try to scream, but i can't make a sound  
i'm missing in stereo (i'm missing in stereo )  
i'm missing in stereo (i'm missing in stereo )  
i'm missing in stereo (i'm missing in stereo )  
i'm missing in stereo (i'm missing in stereo )
