

Sparkle, Never Can Say Goodbye

[Intro]

Never can say goodbye
Never can say goodbye, no

I had a few lovers in my life
Had to walk away cause things wasn't right
I had no problem moving on
Cause I still had to be strong
(You know we gotta be strong)

Never thought that I would feel this way
All my skies blue from being grey
Never be another, baby
I need the love you give to me
(You give to me)

At night, hold my pillow so tight
Can't you see why I cry, cry, cry
I can't sleep and I can't eat
Ooh baby see no one does it like you do
Can't stop loving you baby, baby, baby
Can't you see that I could never say

(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no
(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no

Don't tell me, what's a girl to do
When she's so in love with you
I don't know, baby
Sometimes you make me lose control
See nobody, nobody but you
Can hold me tight
And when we make love, it feels so right

Can't nobody do me like you do it
When you're doing me, oh, oh, oh

At night, hold my pillow so tight
Can't you see why I cry, cry, cry
I can't sleep and I can't eat
Ooh baby see no one does it like you do
Can't stop loving you baby, baby, baby
Can't you see that I could never say

(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no
(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no

Tell me why you're leaving
I can't understand
I can't help what I'm feeling
I just can't let your love go

Tell me why you're leaving
I can't understand
I can't help what I'm feeling
I just can't let you go

(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no
(Never can say)
Never can say goodbye
(Never can say)
Never can say goodbye, no, goodbye no
