

# Sparkle, Turn Away

Background Vocals: Cynthia Jernigan

They say that love is wonderful  
They say that love is marvelous  
Then tell me why did you turn away, boy

1 - Turn away from my love  
Turn away, boy  
Turn away from my love  
Turn away, boy

Twelve o'clock in the noon day  
And I'm just getting out of bed  
The thoughts of losing you  
Are still hanging round my head  
I don't know why  
I don't know why you left me all alone, boy  
Tin bird he flies  
Private jets, first class to Texas  
What's going on?

Repeat 1

Baby, don't you know that I've been missing you  
So bring your lovin' home  
Cuz you've been gone too long  
I don't know why  
I don't know why you left me all alone  
Tin bird he flies  
Such an empty space inside of me

Repeat 1

Turn away from my love  
My love my love  
Turn away from my love  
My love my love

Since you turned away  
Oh, life ain't been worth living  
Since you turned away  
My love ain't been worth giving  
Since you turned away  
You see this house is not a home  
Since you turned away  
Baby I just can't go on since you

Repeat 1 until fade
