

# Sparklehorse, Eyepennies

I will return here one day  
and dig up my bones from the clay  
I buried nails and strings and hair  
and that old tooth I believe was a bear's

I held my hand in the fire  
it burned me down to the wires

blood suckers hide beneath my bed  
And black fumes of skin so gently bled  
I slept with a cat on my breast  
slowing my heart stealing my breath

at sunrise the monkeys will fly  
and leave me with pennies in my eyes

and dig up my bones from the clay  
I buried nails and string and hair  
and that old tooth I believe was a bear's

and leave me with pennies in my eyes
