## Sparklehorse, Happy Man

If I had If I had more More would be laid at your feet

If you give me Just a little smile The dogs on my trail wouldn't drag me back to jail

I woke up in a horse's stomach one foggy morning His eyes were crazy and he smashed into the cemetery gates

All I want is to be a happy man All I want is to be a happy man

I've seen teeth Across the horizon Fangs spanning yellow against the earth

There ain't nothing, yeah but ghosts

Fever, rabbit dreams and drunken boats

I woke up in a horse's stomach one foggy morning His eyes were crazy and he smashed into the cemetery gates

All I want is to be a happy man All I want is to be a happy man

I woke up in a horse's stomach one foggy morning His eyes were crazy and he smashed into the cemetery gates

All I want is to be a happy man

All I want is to be a happy man

All I want is to be a happy man

All I want is to be a happy man

All I want

All I want

All I want

All I want
