

# Sparklehorse, It's Not So Hard

To wake  
Not swallowed by willows  
Half eaten by widows  
A new day's begun

Smile  
'Cause nothing here matters  
The spiders get fatter  
Explode in the sun

Oh c'mon c'mon c'mon c'mon  
It's not so hard  
Oh c'mon c'mon c'mon c'mon  
It's not so hard  
It's not so hard  
It's not so hard

To trap  
The dead dogs of summer  
Assaulting your slumber  
Stay drunk ever more

Rise  
Your jewelry will scatter  
On deserts and saturns  
The rings are on fire

Oh c'mon c'mon c'mon c'mon  
It's not so hard  
C'mon c'mon c'mon c'mon  
It's not so hard  
Oh c'mon c'mon c'mon c'mon  
It's not so hard  
C'mon c'mon c'mon c'mon  
It's not so hard

It's not so hard  
It's not so hard  
It's not so hard
