

# Sparklehorse, Little Fat Baby

did you save your wisdom teeth?  
did you burn your christmas tree?

he got dragged by a donkey  
through the dirt and the myrtle  
but he was once a little fat baby

did you lose your fatty in the bath?  
did you make the city slickers laugh?

he got dragged by a donkey  
through the glass and the myrtle  
but he was once a little fat baby

did you burn your wisdom teeth?  
did you save your christmas tree?

he got dragged by a donkey  
through the switches and the myrtle  
but he was once a little fat baby
