oh yeah  
here come the painbirds  
oh yeah  
here come the painbirds  
spiral down those hateful dears  
between our skins and burning spheres  
oh yeah  
here come the painbirds  
oh yeah  
here come the painbirds  
goddamn it's so very hot/spiral down those hateful dears  
supposed to come a rain but it's not/between our skins and burning spheres  
oh yeah  
here come the painbirds  
oh yeah  
here come the painbirds  
oh yeah  
here come the painbirds  
oh yeah
