

Sparks The Rescue, Shipwreck

Have I been treating you right pretty baby? I'd be better if I wasn't so stoned
But now you're leaving me all on my own I swear I'll be a better man
If you keep drinking that wine little darling you'll be drunk before you know
When that other boy won't show any signs of a gentleman
Be afraid
Darling I'm a hurricane
If you shipwreck your love
I will be all the blame
I dreamt last night I broke in your apartment and I tried on all of your clothes
But I just can't get your shoes on my toes (can't get your shoes on my toes)
So I'm dancing to your stereo
Well if that boy don't dance with you darling there will be no romance ever starting
You'll be sitting all alone wishing I was all over you
Be afraid
Darling I'm a hurricane
If you shipwreck your love
I will be all the blame
Say my name
No just light it up in flames
If you're not in love then I don't want to play your games
No I don't want to play
Come on come on what are you messing with (Come on)
Come on come on what are you messing with (Come on)
Come on come on
Be afraid
Darling I'm a hurricane
If you shipwreck your love
I will be all the blame Say my name
No just light it up in flames
If you're not in love then I don't want to play your games
No I don't want to play your games
