

# Special D, Moonlight Shadow

The last ever she saw him  
Carried away by a moonlight shadow  
He past on worried and warning  
Carried away by a moonlight shadow  
Lost in a rythm on a saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

The trees whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and greeving  
Carried away by the moonlight shadow  
All she saw was the silhouette of a gun  
Far away on the other side  
He was shot six times by a man on the run  
And she couldn't find how to push through

I stay  
I pray  
see you in heaven far away  
I stay  
I pray  
see you in heaven one day

Fall down in the morning  
carried away by a moonlight shadow  
I watched your vision falling  
Carried away by a moonlight shadow  
A star was glowing in the silvery night  
Far away on the other side  
Where you come to talk to me this night  
But she couldn't find how to push through

I stay  
I pray  
see you in heaven far away  
I stay  
I pray  
see you in heaven one day
