## Special D, Moonlight Shadow

The last ever she saw him
Carried away by a moonlight shadow
He past on worried and warning
Carried away by a moonlight shadow
Lost in a ryhthm on a saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The trees whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and greeving
Carried away by the moonlight shadow
All she saw was the silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through

I stay I pray see you in heaven far away I stay I pray see you in heaven one day

Fall down in the morning carried away by a moonlight shadow I watched your vision falling Carried away by a moonlight shadow A star was glowing in the silvery night Far away on the other side Where you come to talk to me this night But she couldn't find how to push through

I stay I pray see you in heaven far away I stay I pray see you in heaven one day
