

# Special Ed, I'm The Magnificent

I am the magnificent!  
I'm the magnificent with the sensational style  
And I can go on and on for like a mile, a minute  
'Cause I get in it like a car and drive  
And if the record is smash, I can still survive  
I'm the man of steel on the wheel that you're steerin'  
Or rather playin' on the record that you're hearin'  
You might not understand what I'm saying at first  
So Action Love, put it in reverse

I'm just conversin' with you, person  
This is just a conversation  
I'm Special Ed, with the special presentation, hey  
I like to play, so for me it's recreation  
It's not just a job, it's an adventure  
If worse comes to worse, I've got your thirst quencher  
But ya gotta buy it, dont' even try it  
I don't rhyme for free, no matter how dry it gets  
I collect my money in sets  
One before the show and again when I jet  
So I get mine, and I'm a get more  
'Cause I'm financially secure and I'm sure  
So i don't need your tips or advice  
'cause I'm too nice for that, you rat  
I can't stand mice, I'm like a cat, kinda frisky  
Battling is risky business  
You might acquire dizziness, just like whisky  
Isn't this enough?  
Oh, you think you're tough, cookie  
I think you better call your bookie  
'Cause you can bet your life, that I'm gonna play you like hooky  
On a Friday, this is my day  
When I was through, I heard you say, Why they dis me like that?  
I shoulda repent  
Somebody shoulda said that Special Ed was the magnificent

I am the magnificent  
I'm the magnificent, dynamite, super dope, outta sight  
Special Ed with my trusty pal  
Action Love, the run we shall  
Continue to win you, yet this is not a game  
But I'm 'a play you if say you claim to be better  
I hate rumors and I give tumors  
And our jammies get Grammys  
Yet I'm not an actor, it's just a factor that we're famous  
So don't blame us for nothin'  
Action Love is cuttin', I'm on the rhyme  
Skin your teeth and it's your beef that I'll grind  
Like a butcher, I'll put you on a table  
And let my D.J. cut ya  
But you're such a little sucker  
I might not even touch ya  
I betcha whatcha want is just attention  
Your mother and your father shoulda used some prevention  
Look at all the time and the money they spent  
And now ya wanna die against I-the magnificent?  
I am the magnificent!  
I'm the magnificent with the sensational style  
And I can go on and on for like a mile, a minute  
'Cause I get in it like a car and drive  
And if the record is smash, I can still survive  
I'm the man of steel on the wheel that you're steerin'  
Or rather playin' on the record that you're hearin'  
You might not understand what I'm saying at first

So Action Love, put it in reverse
