

Spice 1, Young Nigga

Y'all ready to do this shit?

Bust em

[VERSE 1]

When I was young I had the lust to pull the trigger
And make change out a 5-dollar-ass nigga
And as time went on, I gained much love
But seein niggas' guts bust at a nightclub
Too young to get my ass in, but they didn't trip
Cause if I didn't get in, they knew I'd start shit
So I was treated like the muthafuckin pope
Security see me, so they scope
And follow me around like a flock of hoes
I had a squab with a bitch with a big-ass nose
I started to knock the bitch out, but before I could
I'm stopped short by a redneck peckerwood
But he was slow, with the other hand slapped the hoe
Then security rushed us out the backdo'
So when I grabbed the nine, they thought I'd go nuts
I'd roll by and bust caps at the grown-up's
Young nigga got bold and off the liquor
As a young nigga
