Bust em

[VERSE 1]

When I was young I had the lust to pull the trigger And make change out a 5-dollar-ass nigga And as time went on, I gained much love But seein niggas' guts bust at a nightclub Too young to get my ass in, but they didn't trip Cause if I didn't get in, they knew I'd start shit So I was treated like the muthafuckin pope Security see me, so they scope And follow me around like a flock of hoes I had a squab with a bitch with a big-ass nose I started to knock the bitch out, but before I could I'm stopped short by a redneck peckerwood But he was slow, with the other hand slapped the hoe Then security rushed us out the backdo' So when I grabbed the nine, they thought I'd go nuts I'd roll by and bust caps at the grown-up's Young nigga got bold and off the liquor As a young nigga
