

Spice Girls, Denying

Ho yeah come on come on come on

Come on and do it

Ho yeah

Come on and do it

Do it do it do it

It's just another thing you gotta keep your eye fixed on the road

Do what your mama said

I will not be told Keep your mouth shut

keep your legs shut go back in your place

Blameless shameless damsel in disgrace

Who cares what they say because rules are for breaking (I said a)

Who made them anyway you gotta show what you feel, don't hide,

Come on and do it, Don't care how you look it's just how you feel,

Come on and do it, You've gotta make it real,

Come on and do it, It's time to free what's in your soul,

You gotta get it right this time, Come on freak and lose control

Remember things like this should be seen and never heard

Give a little respect to me and it will be returned

Keep your head down, keep your nose clean, Go back against the wall

Girl there's no way out for you, You are sure to fall

Who cares what they do because it's yours for the taking,

So it's not for you anyway, Make your own rules to live by,

Come on and do it, Don't care how you look it's just how you feel,

Come on and do it, You've gotta make it real,

Come on and do it, It's time to free what's in your soul,

You gotta get it right this time, Come on freak and lose control,

You might do the wrong thing (Might do the wrong thing) for the right reason (For the right reason),

Don't just do the right thing (Don't do the right thing) to be pleasin' (To be pleasin' baby)
