

# Spice Girls, Step To Me

Why don't ya step to me  
Let me take you for a ride  
I'll take where you can run  
But you can't hide  
Come on and step to me  
Shame the devil, tell the truth  
I can tell you don't know what to do  
I can't believe what I heard yesterday  
About your boastin' and lyin'  
Whispering words you had no right to say  
And now there's no use denying, yeah  
Big words and small promises  
You're living in your dreams, oh  
Smell the coffee cause it's time to wake up  
Sometimes the truth can be mean, yeah  
Now it's time, come prove your words to me (ooh)  
If you think you've got what it takes (ooh)  
There's no time for your insecurities (ooh)  
I'm gonna wipe that smile off your face (Emma & Victoria)  
Why don't ya step to me  
Let me take you for a ride (take you for a ride)  
I'll take where you can run  
But you can't hide  
Come on and step to me  
Shame the devil, tell the truth  
I can tell you don't know what to do  
I'm tired of hearing from your cheap talkin' friends  
Just how you run me around, ha  
I know you boys ain't got nothing better to do  
Than try to keep your girl down  
Small town, big attitude  
Is more than just a state of your mind, yeah  
But you and me belongs to me and you  
Cause honesty's so hard to find  
Now it's time, come prove your words to me (ooh)  
If you think you've got what it takes (ooh)  
There's no time for your insecurities (ooh)  
I'm gonna wipe that smile off your face (Emma & Victoria)  
Why don't ya step to me  
Let me take you for a ride (take you for a ride)  
I'll take where you can run  
But you can't hide  
Come on and step to me  
Shame the devil, tell the truth  
Fooling yourself makes a fool out of you  
Why don't you step to me,  
If you think you've got what it takes  
I heard the rumour  
About your loving, well it's fake  
Ch-ch-ch-check yourself  
If you think I'm gonna suffer that  
What do you think I am?  
Some kind of pussycat  
Chit chat to the girls and the boys  
You call your friends  
Tell them that you've never been  
To the place where lovin' ends  
You never graduated from  
The school of love, you see  
So come on boy  
Why don't ya step to me?  
Now it's time, come prove your words to me (ooh)  
So you think you've got what it takes (ooh)  
There's no time for your insecurities (ooh)

I'm gonna wipe that smile off your face (Emma & Victoria)  
Why don't ya step to me?  
Let me take you for a ride (take you for a ride)  
I'll take where you can run  
But you can't hide  
Come on and step to me  
Shame the devil, tell the truth  
I can tell you don't know what to do  
Why don't ya step to me?  
Let me take you for a ride (take you for a ride)  
I'll take where you can run  
But you can't hide  
Come on and step to me  
Shame the devil, tell the truth  
Fooling yourself makes a fool out of you
