

# Spice Girls, Stop

Why don't you step to me  
take you for a ride  
step to me  
I can't tell you, don't know what to do  
I can't believe what I heard yesterday  
about your boasting and lying  
whispering words you had no right to say  
and now theres no use denying (yeah)  
big words and small promises  
your living in your dreams (well)  
smell the coffee 'cause its time to wake up  
sometimes the truth can be mean  
Now it's time come prove your words to me  
if you think you've got what it takes  
theres no time for your insecurities  
I'm gonna wipe that smile of your face  
Why don't you step to me  
let me take you for a ride (take you for a ride)  
I'll take you where you can run  
but you can't hide  
come on and step to me  
shame the devil tell the truth  
I can't tell you fon't know what to do  
I'm tired of hearing from your cheap talking friends  
just how you run me around  
I know you boys ain't got nothing better to do  
than try to keep your girl down  
small town big attitude  
is more than just a state of your mind  
but you and me belong to me and you  
cos honesty's so hard to find  
come prove your words to me  
if you think you've got what it takes  
there's no time for your insecurities  
I'm gonna wipe that smile of your face  
why don't you step to me  
let me take you for a ride (take you for a ride)  
I'll take you where you can run  
but you can't hide  
come on and step to me  
shame the devil tell the truth  
I can't tell you don't know what to do  
why don't you step to me  
if you think you've got what it takes  
I heard the rumour  
about your loving well it's fake  
ch-ch-ch-check it out yourself  
If you think I'm gonna suffer that  
what do you think I am some kind of pussie cat?  
chit chat to the girls and boys you call your friends  
tell them that you've never been to the place where loving ends  
you never graduated  
from the school of love you see  
so come on boy why don't you step to me  
now its time  
come prove your words to me  
so you think you've got what it takes  
theres no time for your insecurities  
I'm gonna wipe that smile of your face  
Why don't you step to me  
let me take you for a ride (take you for a ride)  
I'll take you where you can run  
but you can't hide  
come on and step to me

shame the devil tell the truth  
I can't tell you fon't know what to do  
why don't you step to me  
let me take you for a ride (take you for a ride)  
I'll take you where you can run
