

Spice Girls, Walk Of Life

I'll beep my horn for you
(bumper to bumper)
Give way I'm comin' through
I'll beep my horn for you
(bumper to bumper)
Give way I'm comin' through
Driving through the city,
dirty, nitty gritty,
looking for a place to go
Girls are feeling risky,
feelin' kinda frisky,
come on baby let me know
Pull over, pull over,
you're driving me reckless
Over the limit,
alright you're gonna get this
Bumper to bumper, bumper to bumper
I want to drive your body, all night
I want a back seat lover, all right
You know that,
I'll beep my heart for you
(bumper to bumper)
Give way I'm coming through
(bumper to bumper)
I'll beep my heart for you
(bumper to bumper)
Can't take my eyes off you
(bumper to bumper)
Looking but not stoppin',
only window shoppin',
less you've got some goods to show
Don't tell us that were dirty,
only being flirty
Tops off and down and here we go
Pull over, pull over,
you're driving me reckless
Over the limit,
alright you're gonna get this
Bumper to bumper, bumper to bumper
I want to drive your body all night
I want a back seat lover, all right
You know that
I'll beep my heart for you
(bumper to bumper)
Give way I'm comin' through
(bumper to bumper)
I'll beep my heart for you
(bumper to bumper)
Can't take my eyes off you
(bumper to bumper)
Lazy hazy summer days
(bump, bump)
Lazy hazy summer days
Lazy hazy summer days
(bumper to bumper)
Driving into the sunshine, driving into the sunshine
(lazy hazy summer days, lazy hazy summer days)
(lazy hazy summer days, lazy hazy summer days)
Driving into the sunshine, driving into the sunshine
Driving into the sunshine (ahhhh)
You know that
I'll beep my heart for you
(bumper to bumper)
Give way I'm coming through

(bumper to bumper)
I'll beep my heart for you
(bumper to bumper)
Can't take my eyes off you
(bumper to bumper)
(repeat)
